ALL LIFE IS SACRED

## THE MISSION

The early church fathers were united in their stand against abortion and infanticide. They consistently led the fight to protect the innocent from death, even at great risk to themselves and their families.

Under that same historic banner, CEC For Life strives to serve and mobilize the Body of Christ at large, calling all Christians to fulfill their divine commission to defend the fatherless.

Through prayer, outreach and education, we will continue to equip the faithful and work toward the end of abortion throughout the world.

## THE LITURGY

*we will pray until abortion  
is abolished in the earth*

The cornerstone of CEC for Life is the commitment to praying the Liturgy at the Time of Death for the Preborn.

This is a service performed for children killed at abortion clinics. It is sometimes prayed in churches, or in close proximity to clinics or hospitals where babies are dying. The Liturgy is a sacramental Christian service for those children who are denied any sort of affirmation by the Christian Church, including Baptism, Holy Unction, Confirmation, or even a Christian burial.

For the preborn child about to be aborted, the very family to whom they have been given as a gift from God has abandoned them. So, we stand as their Christian family and pronounce on the day of their death the blessing of the one Holy, Catholic and Apostolic Church.
